

Flooring solutions

Proven products from manufacturers you trust.

FLOORING SOLUTIONS

Save time and money with refurbished raised flooring panels and grates.

Data center floors are all different and are not interchangeable. We help identify your floor system and provide replacement panels to match and fit your existing system.

Key Benefits

- Match existing floor panels
- Save money vs. new panels
- No minimums orders

Products

- Refurbished raised floor panels
- Directional airflow panels
- High-capacity floor grates
- Installation and maintenance
